**Kittens will be chosen in order of the deposit date. If kittens born in the litter are not Buyer's preference, you have the option of waiting for the next litter born to select. Then person in second choice position will move up to first choice position, on down the line of waiting list. Breeder hopes to always sell the kitten of adopter's first choice preference. However, mother nature and the Pixie Fairies do not always comply with requests. An open mind is highly recommended.....grin. If you have children, tell me their names and ages. It helps me in choosing a kitten for their new family, thanks.**
